

The Dutch would like to invite you to

# Queen's Day 2008

## Dear Friends,

Every year The Netherlands celebrate the birthday of our Queen Beatrix on April 30th.

We would like to invite you and your family to celebrate our national holiday together with us.

The party will be held on Sunday Apr 27, 2008 and starts at 4PM until 9PM. Since the last name of our Royal family, and thus our national color, is Orange, we would like to challenge you to dress yourself as **orange** as possible.

The Dutch Team,

At the entrance of our party you will get coupons to taste some of our famous Dutch snacks, drinks and beer.

Kids activities include some of the traditional "old Dutch" games.

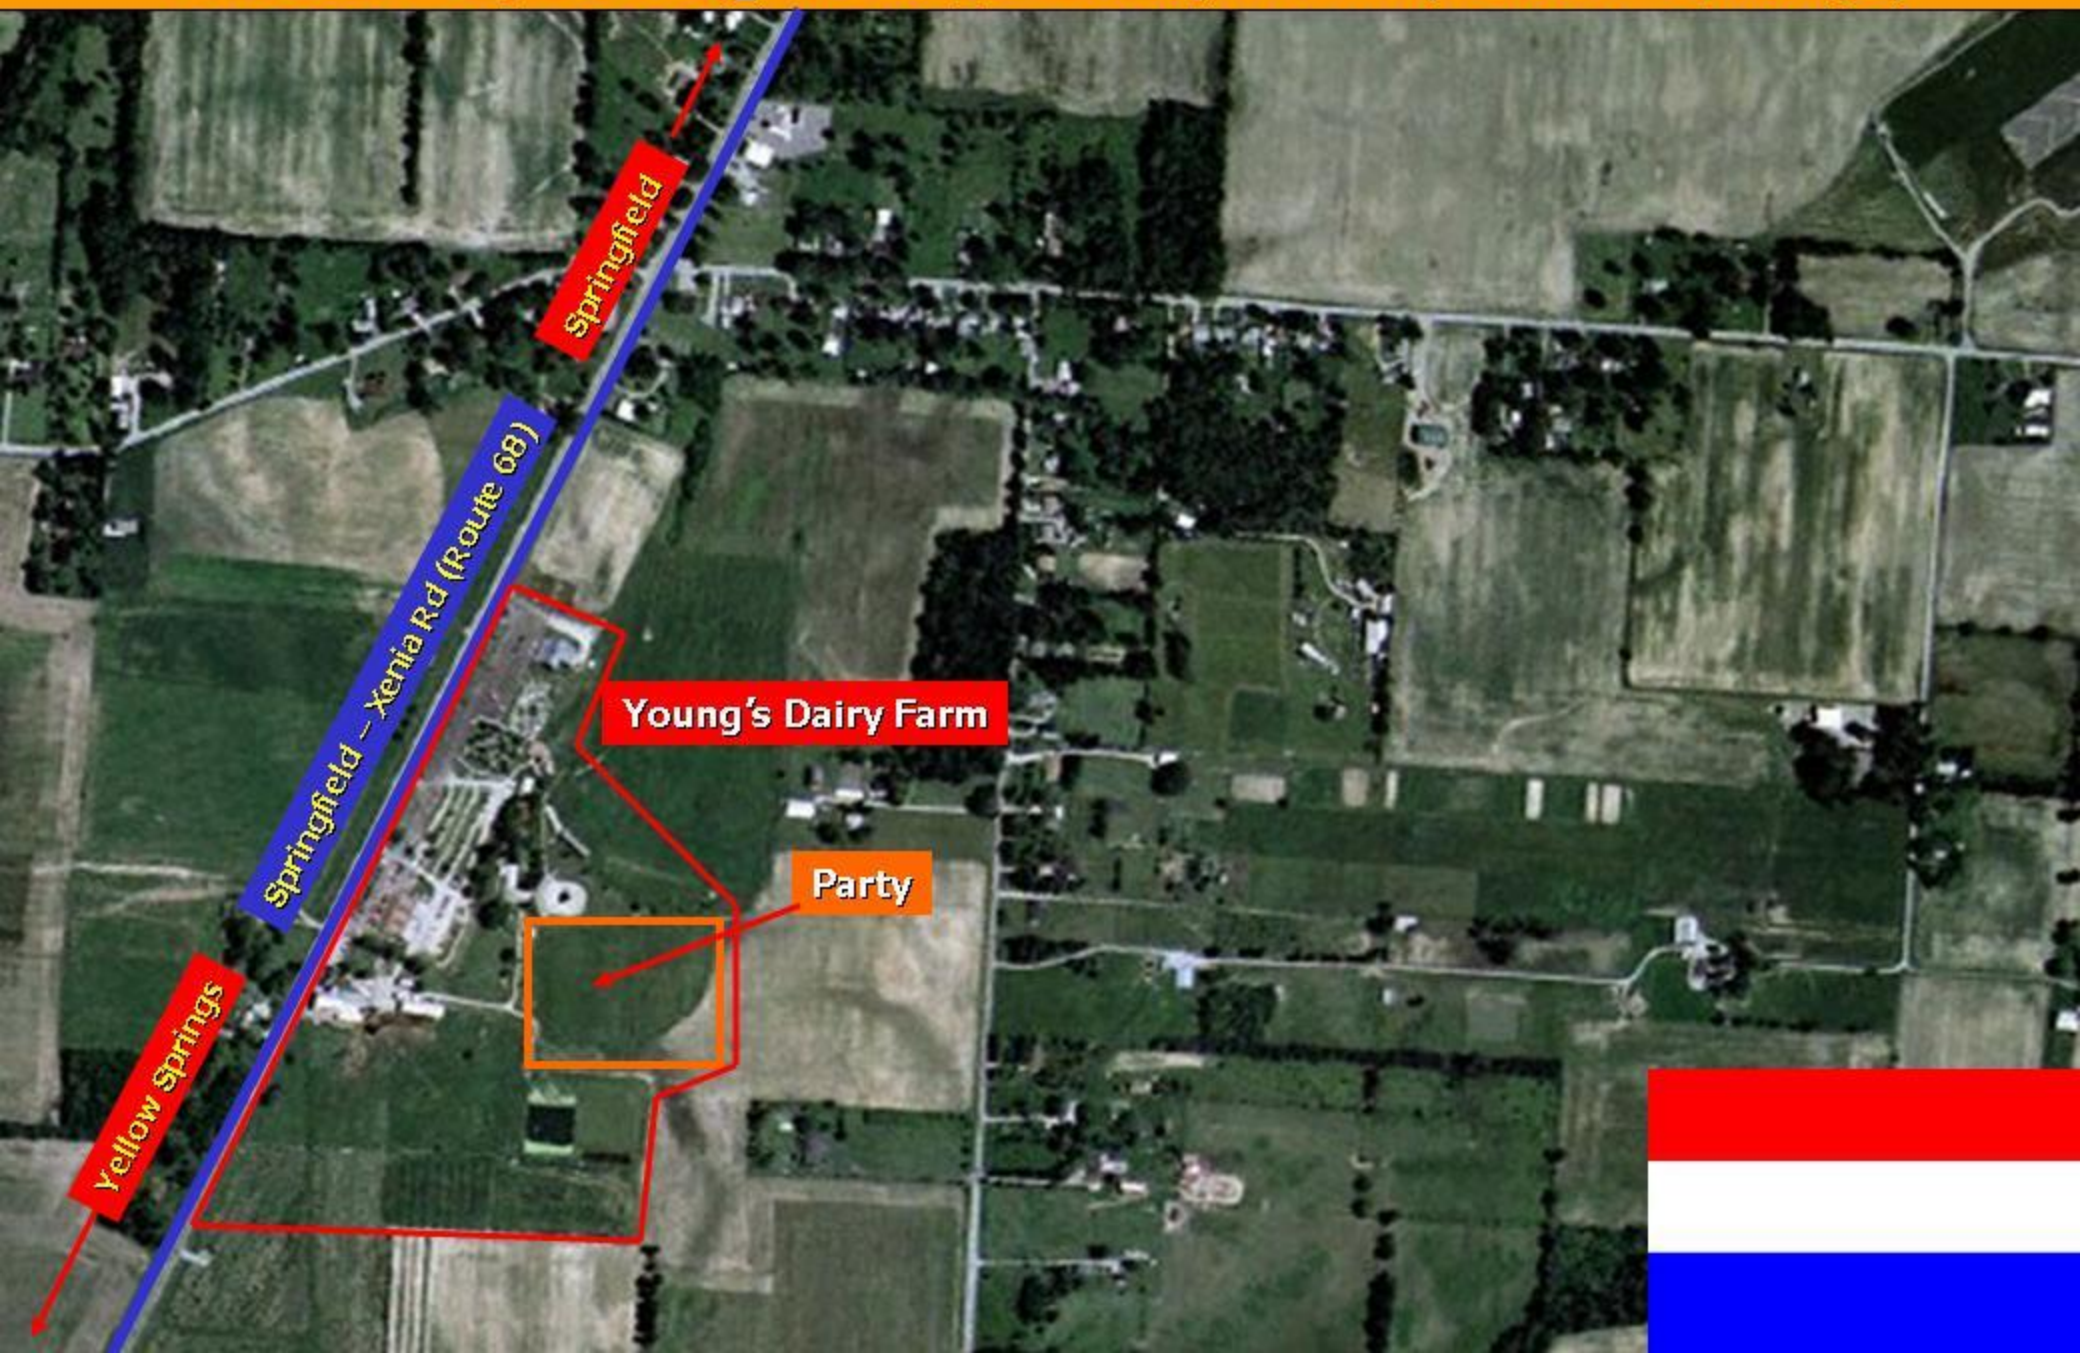

Queen's Day 2008 will be celebrated at:

Young's Dairy Farm, 6880 Springfield – Xenia Rd,  
Yellow Springs OH 45387 (see attached map)

Please **RSVP** no later than April 11th mentioning, your full name, the number of adults and children that will be present at Queen's Day 2008, to:
